

"Cycling Mobility and Self Massage Program"

Latissimus Dorsi Self Massage - Foam Roller

- Lie on side with arm outstretched
- Position the foam roller under arm pit
- Roll the foam roller up & down the length of the lat
- Hold on tight spots until pain subsides

Repeat 1 times.

Thoracic Spine Mobility - Foam Roller - Dynamic

- Position the foam roller perpendicular to the spine
- Lie with foam roller across middle of back
- Take arms overhead, roll up & down the thoracic spine & ribs
- Avoid rolling on the lumbar spine

Complete 1 sets of 1 repetitions. Rest between sets.

Piriformis & Gluteal Self Massage - Foam Roller

- Sit on a foam roller with one leg crossed over the opposite knee
- Position the foam roller under the buttock
- Use arms and foot to support body weight
- Roll the foam roller up & down the buttock
- Hold on tight spot until pain subsides

Repeat 1 times.

Hamstring Self Massage - Foam Roller

- Start in a seated position with legs out
- Arms help support body weight
- Position the foam roller under the upper thigh
- Roll the foam roller up & down the entire length of upper thigh

Repeat 1 times.

Calf Self Massage - Foam Roller

- Start in a seated position with legs out in front and arms behind the body
- Position the foam roller under lower leg
- Use arms to support weight
- Roll the foam roller up & down the length of lower leg
- Hold on 'tight spots' until pain subsides

Repeat 1 times.

Hip Flexor Self Massage - Foam Roller

- Lie face down, support body on forearms & toes
- Position the foam roller under hip
- Use forearms to support weight
- Roll the foam roller up & down around the hip
- Hold on tight spots until pain subsides

Repeat 1 times.

Quadriceps Self Massage - Foam Roller

- Lie face down, support body on forearms & toes
- Position the foam roller under upper thigh
- Use forearms to support weight
- Roll the foam roller up & down the length of upper thigh
- Hold on tight spots until pain subsides

Repeat 1 times.

Tibialis Anterior Self Massage - Foam Roller

- Lie face down, support body on forearms & toes
- Position the foam roller under front of the lower leg
- Use forearms to support weight
- Roll the foam roller up & down the length of lower leg

Repeat 1 times.

Adductor Self Massage - Foam Roller

- Lie face down with one leg abducted out to the side
- Position the foam roller under the inside of the upper thigh
- Use forearms & other leg to support weight
- Roll the foam roller up & down the inner thigh
- Hold on tight spots until pain subsides

Repeat 1 times.

Iliotibial Tract (ITB)

- Body supported on side by forearm & side of foot
- Position the foam roller under side of upper thigh
- Use forearm and other leg to support weight
- Roll the foam roller up & down the length of upper thigh
- Hold on tight spots until pain subsides

Repeat 1 times.

Latissimus Dorsi Stretch on Pole or Wall

- Stand, facing a pole or wall
- Arms outstretched, grip pole
- Lean forward, allow arms past ears
- Drop chest towards floor
- Flatten back, extend through shoulders

Hold for 1 seconds. Repeat 1 times.

Side Lying Thoracic Rotation

- Lie on side, knees bent, head supported by a pillow and arms out in front
- Keeping your knees together and on the ground, slowly lift the top arm and rotate the trunk as you do so

- Stop when you reach the comfortable limit of your range, take two breaths then return to the start position

- Repeat.

Complete 1 sets of 1 repetitions. Rest between sets.

Hip Flexor Stretch band assisted

- Kneel in lunge position with band around hip pulling from behind
- Upright posture
- Contract abdominals to tilt pelvis backward
- Contract buttocks to assist

Hold for 1 seconds. Repeat 1 times.

Hip Flexor - Quadriceps Stretch - Kneeling

- Kneel in lunge position
- Reach behind & grasp ankle
- Pull ankle toward buttock
- Ensure torso is in an upright position
- Hold something for support if necessary
- Contract abdominals and buttocks to increase stretch

Hold for 1 seconds. Repeat 1 times.

Hamstring Stretch - Bent Leg - Stretchband

- Loop Stretchband around low back & front third of one foot
- Lie on back
- Bring thigh of stretch leg to chest, other leg flat on floor
- Use Stretchband to pull leg upward & extend the knee
- Vary the angle of pull to modify the stretch

Hold for 1 seconds. Repeat 1 times.

Glute Stretch - Lying - Legs Crossed

- Lie on back, knees bent
- Place one foot across opposite knee
- Grasp shin of the support leg
- Pull toward chest

Hold for 1 seconds. Repeat 1 times.
